

# YOUTH LEADERSHIP ALLIANCE

Leadership Begins Here

## Partnership Programs

This is where real leadership begins – with you. As a business leader, you understand how important it is to develop meaningful alliances. We invite you to explore an alliance that will truly make a difference.

The YOUTH LEADERSHIP ALLIANCE relies solely on our Partners and Sponsors to fulfill a mission that concerns all of us -- the positive welfare and growth of our youth.

Partnerships represent a wide range of companies and organizations that believe and support the mission of YOUTH LEADERSHIP ALLIANCE. These companies and organizations may provide additional services to augment our programs, or support our efforts in reaching out to teen youth. Examples of these organizations may include;

- Religious Organizations
- Corporations
- School or School Districts
- Child Advocacy Organizations
- Youth Program Organizations

### Benefits

As a YOUTH LEADERSHIP ALLIANCE Partner, you or your organization will be recognized through our marketing outreach efforts, including the YOUTH LEADERSHIP ALLIANCE web site, public relations and other printed materials. We will also make our logo and web site link available to place on your materials and on your web site.

### Here's How We Begin

First, we discuss the synergies between our two organizations, or how we would develop a mutual relationship. Then we will create a Memo of Understanding (MOU). This is not a legal document, but it does establish the standards and procedures for our working relationship. Finally, we would execute a joint press release to communicate our working relationship.
