Leadership Begins Here

## Sponsorship Programs

The YOUTH LEADERSHIP ALLIANCE relies solely on our Partners and Sponsors to fulfill a mission that concerns all of us -- the positive welfare and growth of our youth.

Sponsorships are critical to achieving the YOUTH LEADERSHIP ALLIANCE mission. Sponsorship comes in many forms, and we encourage creativity in all of our sponsorship programs. Some sponsorship examples include;

- School or Classroom Sponsor
- Church Group Sponsor
- Community Center Sponsor

### Here's How It Works

An organization wishes to engage YOUTH LEADERSHIP ALLIANCE Programs. If needed, we work with the organization to locate a sponsor – this may be you.

Or

A Sponsor wishes to support an organization and YOUTH LEADERSHIP ALLIANCE will reach out to the organization letting them know they already have a generous Sponsor.

Sponsoring a teen group involves a YOUTH LEADERSHIP ALLIANCE Facilitator and program materials. The average cost to sponsor a teen group depends on the number of teen participants and the number of modules selected by the organization. It typically ranges from \$50 to \$75 per teen, per module.

### Benefits

As a YOUTH LEADERSHIP ALLIANCE Sponsor, you or your organization will be recognized through our marketing outreach efforts, including the YOUTH LEADERSHIP ALLIANCE web site, public relations and other printed materials. We will also make our logo and web site link available to place on your materials and your web site. In addition, your sponsorship will be warmly recognized by the organization you support.
